

**IN THE SPECIFICATION**

Please amend the prior specification with the following changes to better conform to the drawings. Please replace paragraph [0018] with the following amended paragraph. No new matter is added.

We have noticed a difference in the paragraph number between the submitted application and the published application. The amendment to the below paragraph [0018] is based on the published paragraph [0018] and not on the originally filed paragraph [0018]:

[0018]        Figure 4 shows a pictorial view of a second embodiment of the invention. In this embodiment multiple seat belt systems are employed on a single seat belt ready seat frame 100 with a seat back cushion 110, seat bottom cushion 120 and bottom seat frame 130.
